## PRODUCT DESCRIPTION

dōTERRA On Guard® Sanitizing Wipes are made for your busy life on the go. Ideal for eliminating germs during daily activities or travel, the individually wrapped wipes fit easily in your car, purse, briefcase, backpack, or suitcase. Infused with the protective benefits of On Guard essential oil and aloe leaf extract, the wipes clean hands while being gentle on your skin and are even safe to use on little one's hands. The CPTG® Certified Pure Tested Grade™ blend of Eucalyptus, Wild Orange, Clove, Cinnamon, and Rosemary essential oils release a warm, spicy, and woody scent creating an aromatic experience when using the wipes. The CDC recommends using an alcohol-based hand sanitizer when soap and water are not available. dōTERRA On Guard Wipes contain 70% ethyl alcohol and are 99.9% effective against most common germs.\* The wipes are a practical, no-mess solution to keeping hands clean anytime, anywhere.

dōTERRA On Guard Sanitizing Wipes are biodegradable and are available in a carton of 20 individually packaged singles and in a pack of 50 with a flip top that closes securely to keep wipes moist.
