## PRODUCT DESCRIPTION

The dōTERRA Peppermint Softgels encapsulate Certified Pure Tested Grade CPTG™ Peppermint essential oil in an enteric coated softgel to provide digestive relief to the lower intestines thereby improving overall digestive health and ultimately whole body wellness.\*

The peppermint plant is a hybrid of watermint and spearmint and has a long history of use in traditional herbal preparations. Peppermint essential oil is one of the most versatile oils dōTERRA offers and the testimonies of its many uses as a popular additive in food, beverages, and cosmetics are very well documented.

dōTERRA Peppermint Softgels have a high menthol content that distinguishes the best quality Peppermint from other products and is known to provide relief from lower intestinal discomfort.\* When taken internally, Peppermint essential oil has clinically demonstrated its ability to help ease and relax the gastrointestinal muscles and calm the stomach and intestinal tract.\* The softgels support healthy function of the digestive system and help reduce occasional gas, bloating, and other digestive difficulties.\* The enteric coating allows the active ingredients to pass through the stomach and reach the small intestines where it is most effective.

## DIRECTIONS FOR USE

For adults, take up to two dōTERRA Peppermint capsules before meals to reduce occasional digestive discomfort.\* For children eight years and older, take one softgel before meals. For best results, take 30–60 minutes before meals.

## CAUTIONS

Keep out of reach of children. If you are pregnant, nursing, or under a doctor's care, consult your physician. Do not use if safety seal is missing or broken. Store in a cool dry place.

## OTHER INGREDIENTS

Gelatin, Glycerin, Water, Food glaze, Sodium alginate, Carnauba wax.
