Diffuse Midnight Forest and immerse yourself in nature. Pilōt Midnight is the portable diffuser that can go everywhere you do — in the car, to work, or from room to room, in a distinct and masculine charcoal hue. Convenient and mess-proof, Pilōt Midnight is perfect for smaller spaces. With four hours of continuous diffusion or up to eight hours of intermittent diffusion, you can customize the Pilōt Midnight to release the exact amount of CPTG Certified Pure Tested Grade™ essential oils preferred. The diffuser's compact design works in every setting. The Pilōt Midnight comes with a dual-port USB 2.4A car adapter for easy recharging and a carrying case for travel.\*
